Honora

Christopher Marin

War again, recession.
Making meaning this time by importing
Joie de vivre: turning the suburban doyennes
Of facials and Costco sales into hearty
Laughers, hardy, posed arms akimbo.

Editing the Mattel-
Prototypical Anita Ekberg,
The urban Venus; vying instead for
Gamboling country life,
Wifeliness.

Like fatuous, pederast,
Would-be Adonis:
How pleased he was
To be the Queen of May, to be a
Dervish before Bob Dylan, to *om*
For inflammatory monks.

Chakras and anodized steel in his
Saffron-polyester wake. The brutal
Pan-yogi and his hypocritical castanets.

Contretemps, cavorting while there are drones
In Sadr City; the
Long in tooth and fulsome.
