**CHARLES MANN BUSBY (1934-2006)**

*Christina Busby*

all and everything

we are

(he said)

is energy

sifting and shifting

from one

form to the next

(he said):

I will never (ever)

leave you here

I will (forever)

be near

(he said)

and 9 months passed

his breath

sighed deep and

his eyes

rolled tight and

he quietly exited life

sifting and shifting

from today

to forever

gasping:

I will (always)

be near you,

my dear.
