WATCHING BEAUTY

Seth Jones

The leaves dance
Brightly colored in the breeze
You stroll from class
But have not seen me yet
I stare at you in wonder
Waiting
Anticipating
The moment our eyes will meet
That beautiful dimpled smile
Those deep eyes
Gazing
Softly
Penetrating every shadowed corner of my soul
Take my hand
And walk with me
My friend
Let the crisp autumn air
Penetrate our lungs
And may we feel - you and I
The day
The season
The moment
Together
