I Want . . .

by Maria Mejia

someone to see me smile and think it's beautiful
someone to feel my anger and hold me,
someone to hear my laugh and feel the waves
crash against his heart,
someone to lie beside me and think of nothing else
except that moment.

I want nothing more than to see the man of my dreams . . .
smile and make my heart jump
to hold him when he is upset
to hear his laugh and for it to bring a smile to my face
to lie beside him and be content with all that is
going around us
That is all I want
