## Within

When will there ever be  
enough time and patience  
to live and learn  
to see ourselves as being free

The start of life is just a dream  
until the ocean roars  
from the incoming tide  
the light shines down on the flowing stream

Awakened with fear  
but reassured by his love  
and held on through the night  
as the stars glimmer together

Holding on  
reaches the lonely heart together  
with his dream we bring love forever  
and a chance to fall free alone in his hands

A child can learn and live  
through the promise of a colorful rainbow  
life with love and support  
with our strength it is our will to give

The sky reflects our tears  
that flow to the beaches  
of our lives to fulfil God

What is written in a song  
has been suffered in a life  
creates that song of harmony  
to grasp death by his love  
as we are weak  
can be blessed by God  
life long

Ann Gerlach
