Ask me how to get from

Point A

to

Point B

and I'll tell you the way

because an eternal navigation system
curses me with constant direction.

I know where we need to go
and how to get there
and what we're going to do
and when we will arrive.

I look both ways before I | cross
I don't know how to get | lost

I've pressed every button
changed every course
turned every knob

Still I'm stuck on this path;
there's no turning back.

Please rewire my GPS

and let me
roam
in the middle
of the
road.
